What we mean by 'unrelated' ensembles.

An un-related ensemble is one whereby the child is playing a different instrument or learning a different skill. i.e Junior Wind Band and steel pans, young singers and concert band or Intermediate strings and Junior Wind band.

There will be no increase in subscription rate when the same child is attending two ensembles as part of a progression route – i.e Junior strings and intermediate strings, intermediate strings and youth orchestra or Pick up and play brass and junior wind band.
